

SEMINAR-More than 250 law enforcement and prosecutors from over 55 different agencies attended the Fifth Annual Law Enforcement Seminar held in Geneva. Dale-Geneva District Attorney Kirke Adams and Houston-Henry District Attorney Doug Valeska co-sponsored the seminar designed to help all participating agencies to get the necessary training needed to stay on top of their game. FBI Agent Stephen Richardson, who coordinated the hostage negotiation team during the Midland City standoff in February of this year, was keynote speaker at the day long seminar which also included information about searches, and new gun laws.
