OZARK — The friends of an Ozark teenager shot to death over the weekend described him as an aspiring artist with a great sense of humor.

The news of the fatal shooting of 17-year-old Christian Alexander Markoff left his friends and family devastated, including Kelsey Kicklighter.

Kicklighter, who shared an English class with Markoff at Carroll High School, said she heard about her friend's death from another friend only a couple of hours after it happened late Sunday night.
